

Moving Evidence to Action:

Advancing Global Health and Sustainable Development

August 24, 2017 | University of Prince Edward Island

A workshop designed to engage key partners in exploring the value of collective action on the Sustainable Development Goals (SDGs).

Sponsor: Global Action Group – 6th Global Forum on Health Promotion

Host: University of Prince Edward Island

Location: UPEI School of Sustainable Design Engineering, Room 128A ([map](#))

Date: Thursday, August 24, 2017

Time: 8:30 a.m. – 1:30 p.m.

Register: www.asi-iea.ca (\$50 fee)

Objectives:

1. Disseminate the PEI Declaration and Charlottetown Call to Action developed during the 6th Global Forum on Health Promotion
2. Develop an understanding of links between SDGs, global health and health promotion
3. Share perspectives and information about the role and mandates of key stakeholder groups (global, national, regional and local) and potential connections for future partnerships
4. Identify strategies and next steps for engagement and collective action
